

Air Sensors 2013: Data Quality & Applications

Participation & Registration List

Please find below a list of the names and affiliations of those who participated in the Air Sensors 2013 Workshop. The "Participation" column reflects whether the participant attended in person (onsite), on the webinar (remote) or registered, but did not sign in on the days of the workshop (registered only). Affiliations are listed as provided by the participants upon registration, and EPA organization acronyms are provided on the final page of this document.
